Re: Office of Regulatory Staff Petition to Review FCC Mandated
Reductions to Intrastate Access Tariffs
Docket No. 2012-136-C

Dear Ms. Boyd:

I am writing to request an extension of time for certain CLECs to file tariffs and supporting documentation in compliance with the Commission's directive and order dated April 11, 2012 in the above-referenced docket. The CLECs in question are those CLECs that are affiliated with incumbent local exchange carriers that are members of the South Carolina Telephone Coalition ("SCTC").

The grounds for this request are that the SCTC has a Petition pending in this docket regarding the appropriate treatment of Interim LEC Fund revenues. SCTC member company ILECs have been working with a consultant from John Staurulakis, Inc. to prepare filings consistent with the SCTC Petition and with the Commission's and the Hearing Officer's directives in this matter. It recently came to our attention that a number of CLECs affiliated with these ILECs may be required to file tariffs and supporting documentation as well. Given the time frames and the current workload of these companies and their consultant, it is simply not possible for them to comply with the June 1 filing date requested by the Office of Regulatory Staff and directed by the Commission. The Federal Communications Commission has a required filing date for similar information of June 18, 2012. *See In the Matter of July 3, 2012 Annual Access Charge Tariff Filings*, DA 12-482, WCB/Pricing File No. 12-07 (rel. March 28, 2012), at fn. 3. We have confirmed with ORS that they do not object to the SCTC-affiliated CLECs filing their data after June 1. We, therefore, request that these companies be permitted to make the required filings as soon as feasible after
